We: CUJO LLC
Located at: 2150 Park Place, Suit 100, El Segundo, CA 90245
Telephone: 1-844-GET-CUJO

Declare under sole responsibility that the product identified herein, complies with 47CFR Part 15 of the FCC rules as a Class B digital device. Each product marketed is identical to the representative unit tested and found to be compliant with the standards. Records maintained continue to reflect the equipment being produced can be expected to be within the variation accepted, due to quantity production and testing on a statistical basis as required by 47CFR § 2.909. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must

accept any interference received, including interference that may cause undesired operation.

Trade Name: CUJO
Type of Product: Home Internet Security Device
Model: A0001

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an output on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

- IC Compliance:

Compliance Label: *CAN ICES-3 (B)/NMB-3(B)*

English: This Class B digital apparatus complies with Canadian ICES-003.

French: Cet appareil numérisé de la classe B est conforme à la norme NMB-003 du Canada.

- ETL Compliance:

Intertek
